### Prisliste Balmar 2024, Valuta NOK,

Med glede kan vi presentere prislisten 2024 til produktene fra Balmar. Gledelig også. Unntatt reimsett kunne prisene holdes stabile eller ble t.o.m. redusert på tross av delvis store prisøkninger på råstoffer. Dette skyldes store økninger på salgshallene, som så reduserer produksjonsprisene.

Men grunnen større svinginger i valutamarkedet skal denne listen ses som veiledende informasjon. Prisene i denne listen aktualiseres ved behov, dvs. når det fantes vesentlige endringer på vekselkursene. Prisene kan gå både opp og ned. Vi forbeholder oss retten til å fakturere kun på grunnlag av dagens aktuelle vekselkurser. Men, ingen fare.

Ved bestilling beregnes dagens aktuelle sluttpris og da bare på riktig grunnlag. Vi fakturerer kun når vareprisen blir enten lik denne listen, eller t.o.m. laver. I tilfellet prisøkning tar vi først kontakt, selvfølgelig, akkurat som vant.

Mange takk.

Med vennlig hilsen  
Jørg Becker
